

Dear,

On behalf of the Sri Chinmoy Centres I would like to invite you to participate in a unique event, the first of its kind in New Zealand, the [Impossibility Challenger](#). We have identified you as a previous record breaker in your field and would be honoured if you would like to use this inspiring World Record Games to attempt another.

The [Impossibility Challenger](#) has been run successfully in Zurich Switzerland and Munich Germany since 1982. In the spirit of Olympism, the [Impossibility Challenger](#) puts together on a single day, in a single venue, multiple Guinness and world record attempts that challenge the impossible.

Saturday November 14th 2009 is the date for the event and with the generous support of the Waitakere City Council and the Trusts Stadium the Douglas track will be used as the venue along with an interior space adjoining the track. Alongside the record attempts are the Self Transcendence Games which will give everyone the chance to have a go at unique and novel events in the style of Guinness sport. Competitors will include schools, businesses and celebrities.

Media interest in these World Record Games promises to be high with both local and international exposure as Reuters covers the event each year in Munich. We have a large staff of experienced volunteers and everything will be done to assist you in a record attempt.

The [Impossibility Challenger](#) was founded by the late Sri Chinmoy and joins a wide range of sports initiatives that he inspired to encourage physical fitness, the Olympic spirit of harmony through athletics and sport and his hopes of a harmonious world. And to inspire people to experience the joy which comes through challenging the seemingly impossible.

The inaugural event in N.Z promises to be fun filled, informal and is expected to grow in succeeding years - in this spirit an evening welcoming meal is offered at the Blue Bird Café on Friday 13th of November from 6pm to give all participants the chance to meet and share stories.

I welcome any questions you may have and sincerely hope that you will be interested in participating in this exciting event. Please feel free to call or email me to discuss this further. I have included an application form for you. Please send your application and record sheets to fax: +64-9-309 34 39.

Kind Regards

Budhsamudra Knox
